

Team Member Apple Discount

Working for Pinnacle Entertainment has its perks! We are excited to announce our new partnership with Apple, allowing us to bring you preferred pricing on the latest products and accessories. From iPods to laptops, discounts up to 12% off are available on Apple products that the entire family will love.

Apple also offers special educational discounts to those in school, in addition to your new PNK team member discount. And, as we send our kids back to school, check out the great discounts we offer team members through Dell and Office Max.

Visit mynkperks.com to view all the details.
